

## **P3R - Kids of STEEL & 4RUN2 Varsity**

Located in the North Side

### **SPRING INTERNSHIP**

P3R Youth Programming Intern

### **ABOUT P3R**

Best known for organizing the acclaimed annual DICK'S Sporting Goods Pittsburgh Marathon, P3R also organizes a variety of other high-quality races, training runs, and health & fitness programs throughout the Pittsburgh region, including the award-winning Kids of STEEL program and 4RUN2 Varsity events.

### **INTERNSHIP DUTIES/STUDENT RESPONSIBILITIES**

Assist the Youth Programming Department in serving runners age 18 and under as they participate in Pittsburgh Marathon Weekend. Duties may include:

- Attending team practices with P3R staff
- Leading workouts and activities at community outreach events
- Sharing your knowledge by drafting content for blogs, social media, and newsletters
- Assisting with team recruitment
- Assisting with volunteer recruitment
- Monitoring general inbox
- Assisting with P3R events that serve the general running population like the Marathon Kickoff Training Run (January), Half Marathon Kickoff Training Run (March).
- Contribute to the planning of the Pittsburgh Kids Marathon – one of the largest kids' races in the country

### **REQUIREMENTS**

- Outstanding customer service skills
- Passion for mission of P3R
- Good communication and interpersonal skills
- Flexible scheduling including several evenings or weekend dates
- Ability to instruct others in physical activity
- PA Child Abuse History Clearance, PA State Police Criminal Record Check, FBI Criminal Background Clearance

### **EXPERIENCES YOU CAN EXPECT**

- Getting a behind the scenes view and contributing to planning world class events in the sports business
- Utilizing your creativity and passion for activity
- Creating unique experiences for kids and their families centered around movement and active lifestyles
- Motivating our region to increase time spent in physical activity
- Interacting with the community: an opportunity to work with diverse populations
- Opportunities to learn from staff members in youth programming, marketing, sponsorship, and event operations
