

Race Day Overview

Saturday, May 4, 2024 | First Heat Starts at 9:30 AM

Parking: Parking garages and lots are open and accessible on the North Shore and downtown. Refer to the map above for several options. Please be aware of Saturday morning road closures.

Registration/Package Pickup: If you have not already received your race bibs and shirts at the Pittsburgh Health & Fitness Expo at the David L. Lawrence Convention Center or at your Kids of STEEL site, you will pick these items up on race morning next to the start line in Red Lot 5.

Start Line Activities: We recommend arriving at least 30 minutes before your designated heat time. If you're participating with a Kids of STEEL site look for your site sign in the start line corral. There will be volunteers to help direct you in the start line chute. Get hyped, take pictures, and be on the lookout for Pittsburgh mascots and Pittsburgh Steelers player Jaylen Warren!

Start Line Corrals and the Course: On the course, you will see bubbles, cross the Andy Warhol Bridge, run by a drumline in downtown, and turn at Cowbell Corner as you approach the finish line.

In the Finish Line Chute: Reunite with your child/guardian in the designated waiting areas. As part of our safety protocol, matching child and guardian bibs must be visible to exit the finish line chute. Receive your medal, goody bag and post-race refreshments here!

The Finish Line Festival in Point State Park: The fun isn't over yet! Check out activities, yard games, refreshments, giveaways from vendors and a bubble show all at the Finish Line Festival.

Return to the North Shore: Participants who park on the North Shore, cross the pedestrian walkway on the Fort Duquesne Bridge or the Roberto Clemente Bridge for an easy return back to your car/bus.
