Look up your bib number.

- ☐ Marathon, half marathon, marathon relay, 4-mile fitness challenge, and 5K participants can look up your bib number at the beginning of race week (anticipated April 30). You will need to know your bib number to pick up your race packet at the Live Well Expo (you will also be able to look up your bib number at the expo).
- ☐ Bibs for the kids marathon, toddler trot, champions mile and pet walk will be organized alphabetically by last name, so you will not receive your race number ahead of time.

PLAN YOUR TRIP TO THE EXPO

PLAN YOUR TRANSPORTATION:

This is one our most frequently-asked-about things! Where will I park? How can I get there? Where do I go? We generally can't tell you exactly what route to take or where to park (we don't know where each of you is coming from and we don't know which parking garages will have capacity on race day), but we can make every tool available that we know of!
